Dear Mr. [REDACTED]:

As result of our discussion the other day, I am enclosing 10 slides from which I hope you might find 3 or 4 suitable for maximum enlargement. Most of them could be cropped, using the 20 inch dimension as the shorter, with the longer measurement at your discretion. For our purposes, there would be no objection -- indeed, there might even be a decorative advantage -- if some of these were "disproportionately longitudinal", permitting them to be hung vertically or horizontally.

If you feel that none of these are worth the effort, please let me know, and I will try to come up with some which would make better enlarged prints according to your standards.

I am extremely grateful to you for your assistance in making our Medical Reception area more attractive to the patients.

Signed
